

Steady As It Goes - Approaches & Landings

At this event you will learn the importance of the “Stabilized Approach Concept” for a safe landing. The discussion will focus on how to maintain a stabilized approach. Additionally, we will discuss decisions leading to a “Go-Around” when the situation presents itself. Please join us at the seminar. Click on the link below and register today. The session will begin promptly at 6:30 o'clock.

Directions: Gate #3 is located on South Meadow Road, approximately 0.2 miles West of the Airport Terminal Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
